A1 Spirit

Medium bomber manufactured by Crusader

The A1 Spirit is a mid-size multi-purpose light bomber manufactured by Crusader Industries. It is equipped with a payload of ten rapidly-deploying bombs and a strong set of weapons, the Spirit is capable of a wide variety of combat tasks.[1][2]

Features

- · Bomb Racks: The compact Chaplet rig utilizes twin racks with five Size 5 bomb payloads each for rapid deployments.
- Weapons: As well as the bomb racks, the ship also has four Size 3 gun hard-points on the ships wings and nose, a rear remote turret which can hold two Size 2 guns as well as racks that can hold four Size 3 missiles.
- Cargo: With an access ramp and small bay, the ship can accommodate a small vehicle to assist with ground operations. It also has an internal storage space for the crew.
- **Crew accommodation:** Conveniently placed right behind the cockpit, the A1 has two beds to help with those longer flights.
